

**HOPE *worldwide***  
**Learning Center Summer Program**

**Our goal is to help the kids at the Learning Center to make good choices with free time by increased reading and exercise.**

**There are several ways we are going to strive to meet this goal:**

- **May 25<sup>th</sup> the Dreamobile will make a special appearance at the school to kick off our “Summer Fun, Read and Run” program.**
- **June 2<sup>nd</sup> will be the third annual Field Day for the school, held at Eliot Park.**
- **The Learning Center kids will all go home for the summer with books, book bags and charts to record their reading progress over the summer break.**
- **June 19<sup>th</sup> – July 14<sup>th</sup> HOPE *worldwide* volunteers will help with the Learning Center Summer School program:**
  - **A basketball clinic will be held on Tuesdays/Thursdays of the 1<sup>st</sup> two weeks of summer school**
  - **A soccer clinic will be held Tuesdays/Thursdays of the last 2 weeks.**
  - **Volunteers will go to the school as reading buddies on Wednesdays.**
- **In September, all the kids that turn in their charts will be put into a drawing to win prizes, including a grand prize of a bike.**

**There are many opportunities to volunteer with this program.  
Please stop by the HOPE table to see how you can help.**
